

A woman with curly hair, wearing a blue jacket, stands at the front of a meeting room, pointing at a whiteboard. She is addressing a group of five people seated around a long table. The room has large windows on the left side, and the whiteboard contains handwritten notes and diagrams. The text "Microsoft Teams User Group # 18" is overlaid on the image.

Subscription Model only

<https://aka.ms/Microsoftignite2020/Exchange>

What About On-Premises Exchange?

- Today we are announcing the next version of Exchange Server will be available in the second half of 2021
- This version of Exchange Server will only be available with the purchase of a subscription
- The ongoing subscription entitles you to updates and support
- The new version will be built to support long term servicing, maintenance and easy upgrades
- And this same change applies to Exchange Server, SharePoint Server and Skype for Business Server as well

Skype for Business Server vNext

The next version of Skype for Business Server will be available as a subscription with ongoing updates and support

Available in the second half of 2021

The subscription model also applies to Exchange Server and SharePoint Server

How do customers migrate to vNext?

Skype for Business Server vNext can be installed directly by organizations with Lync Server 2013 or Skype for Business Server 2015

In-place upgrade from Skype for Business Server 2019 to vNext, this will be supported for about 2 years

Teams Meeting

- Meeting Recap

The screenshot displays the Microsoft Teams interface for a meeting titled "VanArsdel Product Pitch". The interface is divided into three main sections: a left-hand navigation pane, a central meeting details pane, and a right-hand tracking pane.

Left-hand navigation pane: Contains icons for Activity, Chat, Teams, Calendar, Calls, and Files.

Central meeting details pane: Shows the meeting title "VanArsdel Product Pitch" with tabs for Chat, Details, Files, Meeting notes, Recording & Transcript, and Polly. Below this, there are options for RSVP, Forward, Show as Busy, and Category. The meeting date and time are listed as "26 May 2020 1:30 PM - 2:00 PM". There are three cards for "Recording", "Transcript", and "Notes". A linked file "VanArsdel Pitch Deck" is also visible. A summary text reads: "Setting up time for us to come together and iterate on the latest designs for the VanArsdel Mark III. We will start off with a presentation led by Daniela Madera. Then we will transition into breakout sessions where smaller teams will focus on three key product areas, marketing, sales strategy, and material engineering." A link to the "VanArsdel Pitch Deck" is provided.

Right-hand tracking pane: Titled "Tracking", it lists participants and their status:

- Daniela Madera (Organiser)
- Aadi Kapoor (Accepted)
- Babak Shammass (Accepted)
- Beth Davies (Declined)
- Pete Turner (Accepted)

Under the "Optional" section:

- Charlotte de Crum (Tentative)
- Serena Davis (Tentative)

Under the "Rooms" section:

- Conference room 16537/AV/13 (Accepted)

Teams Meeting
