Best Community Podcast

The Best Community Podcast Award celebrates the podcast (audio or video) that the community decides offers the most valuable and rich content that helps others to understand Microsoft Technologies and the industry better.

The screenshot shows a voting interface for the "Best Community Podcast" award. At the top, it says "Best Community Podcast". Below this, there are five nomination options, each with a small logo and the name of the podcast: "O365Eh!", "All About 365", "GreyHatBeard", "Talk Microsoft 365", and "UCStatus Podcast". A man with a beard and a red shirt is visible in the background, speaking into a microphone. At the bottom of the interface, there are social media icons for Facebook, Twitter, LinkedIn, WhatsApp, and Email. The text "Tech Community 2021 Awards" and "Sponsored By: Commsverse" is also visible.

Nominations Are:

Management

- Assign policy package to a group
- Unifying the experiences of creating teams

The screenshot shows the Microsoft Teams admin center interface. The left sidebar contains navigation options: Dashboard, Teams, Devices, Locations, Users, Meetings, Messaging policies, Teams apps, Voice, Policy packages (selected), Analytics & reports, Org-wide settings, Planning, Notifications & alerts, and Call quality dashboard.

The main content area is titled 'Policy packages' and includes a description: 'A policy package is a collection of policies and settings you can customize and apply to a group of users who have similar roles in your organization. The definitions in these policy packages aren't designed for regulatory compliance, but they can be customized based on your own regulatory requirements. Learn more'. Below this are tabs for 'Manage packages' and 'Group package assignment'. A table below shows a list of groups with columns for 'Group', 'Group email', and 'Assigned policy package'. The table is currently empty, with a message at the bottom: 'We looked but no data is available yet.'

On the right, a dialog box titled 'Assign policy package to a group' is open. It shows a selected group 'TU TestSecurityGroup - 9...' and a list of policy packages to assign: 'Frontline worker' (5 policies included), 'Frontline_Worker messaging policy', 'Frontline_Worker meeting policy', 'Frontline_Worker app setup policy', 'Frontline_Worker calling policy', and 'Frontline_Worker live events policy'. Each policy has a dropdown menu set to '1'. At the bottom of the dialog are 'Apply' and 'Cancel' buttons.

- Updated Teams table of content on docs.microsoft.com

The screenshot shows the Microsoft Teams admin documentation page. The header includes the Microsoft logo, navigation links for Docs, Documentation, Learn, Q&A, and Code Samples, a search bar, and a Sign in button. Below the header, there are navigation links for Microsoft 365, Solutions and architecture, Apps and services, Training, and Resources, along with a Free account button. The main heading is "Microsoft Teams admin documentation", followed by a sub-heading: "Find documentation for Microsoft Teams admins and IT Professionals, and learn how to roll out and manage Teams, and prepare your users for Teams." The page is divided into several sections:

- Overview:** Support remote workers using Teams
- How-to guide:** Upgrade from Skype for Business to Teams
- Get started:** Use Advisor for Teams to help you roll out Teams

The next section is "IT professionals – get started with Microsoft Teams", which includes:

- Pilot:** Plan your rollout and pilot your solutions, so that you can have a smooth experience.
- Prepare for end user adoption:** Get your users on board and share scenarios for success.
- Plan for enterprise deployment:** Get your environment and infrastructure ready to deploy.
- Deploy:** Deploy Microsoft Teams across your organization.
- Secure:** Follow these best practices to secure your data, files, and identities in Microsoft Teams.
- Manage:** Perform day to day management tasks for Microsoft Teams.

The final section is "Resources for all audiences", which includes:

- Learn for IT Pros and admins
- Microsoft Teams & Microsoft 365 Developer platform
- End user help and learning
- Teams blogs and Tech Community
- Teams UserVoice (user feedback forum)
- Download Microsoft Teams
