Meetings

Meetings

- Find a meeting recording based on what was said with Microsoft Search
- Lock a meeting from additional joins

Meetings – Slide translate

The screenshot shows a Microsoft Teams meeting interface. At the top, the title bar reads "Audience View" and includes a "Leave" button. The main content area displays a slide titled "Key Sustainability Purchasing Drivers" with the subtitle "Consumers will pay more for products and services that come from companies that are committed to positive social and environmental impact." The slide features three columns of data:

Percentage	Icon	Description
62%	Thumbs up	The products are made by a Brand/Company that I trust ▼
45%	Hand holding a plant	The product is from a Company known for being environmentally friendly ▼
30%	Leaf	The product packaging is environmentally friendly ▼

On the right side of the meeting, a vertical list of participants is visible, including Serena Davis, Aadi Kapoor, Charlotte de Crum, Beth Davies, Miguel Silva, and MJ Price. A "+6" button indicates additional participants. At the bottom left, a navigation bar shows "6 of 18" slides.

Meeting – Auto recording

Meeting options

Who can bypass the lobby? People in my organization and gu... ▾

Always let callers bypass the lobby No

Announce when callers join or leave Yes

Power Platform & Custom Development

Share-to-stage support for meeting apps

Management

- App risk evaluation
- Left navigation updates in Teams Admin Center

Security, compliance and privacy

- Teams Multi-Geo Support
- Safe Links Protection for Microsoft Teams

Teams for EDU

EDU - Engage students with class teams from Canvas

The screenshot displays a web browser window with a single tab titled 'CHEM 110'. The address bar shows a secure connection to 'https://learningmanagementsystem.com'. The page content is organized into a sidebar and a main area. The sidebar, on the left, lists navigation options: 'CHEM110', 'Home', 'Announcements', 'Assignments', 'Grades', 'Discussions', and 'Microsoft Teams', with the latter being the active selection. The main area, on the right, features a 'Microsoft Teams' header and a large card with a chemistry-themed icon (flasks and beakers) and the text 'CHEM110'. A mouse cursor is visible over the main content area.

EDU – Group Assignments

The screenshot displays the Microsoft Teams interface. At the top, the 'Microsoft Teams' header includes a search bar and a user profile picture. The left sidebar shows navigation options: Activity, Chat, Teams, Assignments, Calendar, Files, and Apps. The main content area is titled 'Assignments' and shows the 'Biology 11' team. The selected assignment is 'Horticulture Science Project', due on Friday at 3:00 PM. The assignment details include instructions to document garden growth, reference materials like 'Sample projects', and a group named 'Biology Project Group B' with 3 students. A 'Turn in for group' button is visible in the top right of the assignment card. The bottom left corner features a 'MÜNCHEN' logo.

Teams in EDU

- New “Return for edit” Assignment option
- Filter assignments by class in main assignment view
- Education tailored deployment plan in Teams Advisor
- Education policy wizard now automatically incorporates new features and policies
- Cortana now available for education customers
- Suggested Replies in chats now available for educators
