- Choose your own status for a meeting

Chat and Collaboration

- Mandatory Comments for Approvals App in Teams

The screenshot displays the Microsoft Teams admin center interface. On the left is a dark navigation pane with the 'Manage apps' section highlighted. The main content area shows the 'Approvals' app settings for 'Microsoft Corporation'. The app status is 'Allowed'. Under 'App settings', both 'Adobe Sign' and 'DocuSign' are toggled 'On'. Under 'Request settings', the 'Comments required' toggle is also 'On', with a tooltip indicating that this requires comments on approval requests. The bottom of the screen features a grey silhouette of the Munich skyline with the word 'MÜNCHEN' in large letters.
