Meetings

Video Closed Captions in PowerPoint Live

The screenshot shows a Microsoft Teams meeting interface. At the top, the title bar reads "Annual Team Meeting" and the time is 14:11. A toolbar contains various controls: Stop sharing, Layout, Private view, Pop out, Chat, People, Raise, React, View, Rooms, Apps, More, Camera, Mic, Share, and a red "Leave" button. The main content area is split into three sections:

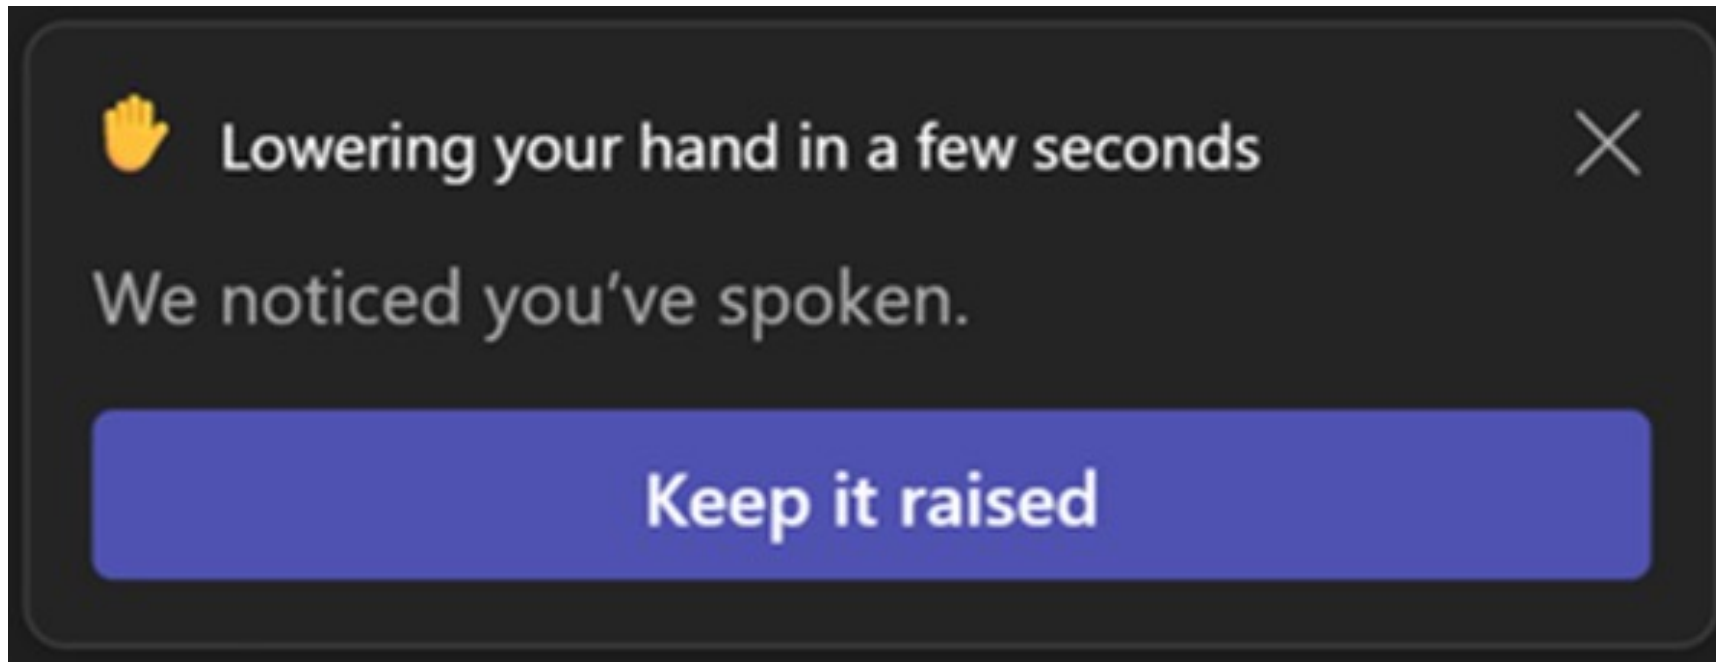

- Slide:** The slide is titled "THE YEAR IN REVIEW" and has the subtitle "Celebrating our Accomplishments and Looking Ahead to the Future". It features a video player showing a woman in a yellow sweater wearing headphones. Below the video, a black box contains the text "emphasis on sustainability, social responsibility,". The Contoso logo is in the bottom left of the slide.
- Notes:** The notes section contains two paragraphs of text:

The shift to remote work and e-commerce led to a boom in digital tools and services, as companies looked for new ways to reach customers and enhance their online presence.

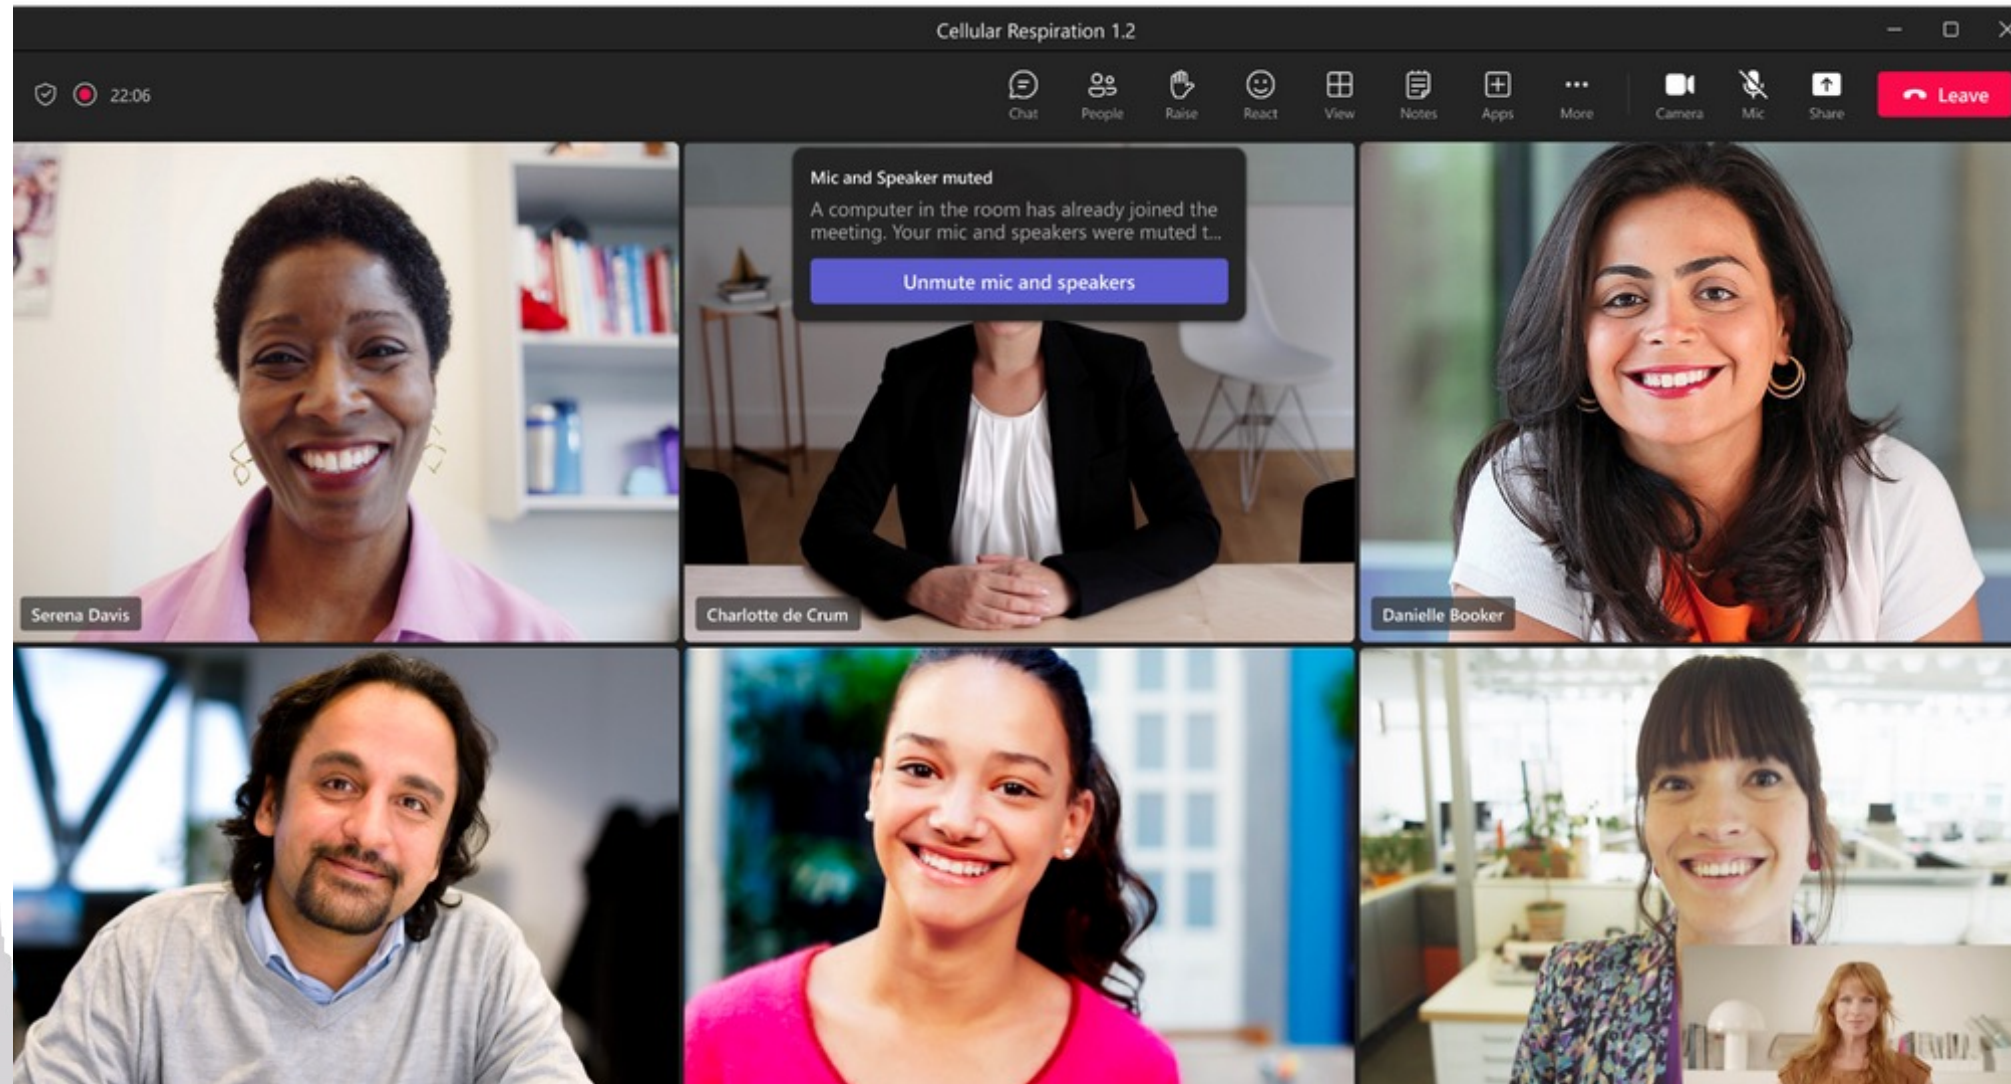

In addition to technological advancements, businesses also placed greater emphasis on sustainability, social responsibility, and diversity, equity, and inclusion. This shift reflected not only a recognition of the importance of these issues, but also a recognition of their potential to drive growth and enhance reputation.
- Participants:** A vertical list of participants is on the right, including Serena Davis, Aadi Kapoor, Charlotte de Crum, Beth Davies, MJ Price, Kayo Miwa, Darren Mouton, and Babak Shammass. A "+2" button indicates more participants.

At the bottom, a navigation bar shows "2 of 8" slides and a thumbnail gallery of the presentation slides.

Green Screen in Teams

Green Screen in Teams

The screenshot shows the Microsoft Teams application interface. In the background, there is a calendar view for January 2018. A 'Settings' dialog box is open in the foreground, displaying the 'Camera' settings. The 'Green screen' toggle is turned on, and a preview window shows a woman with a green background. Below the preview, there is a question 'What color is your background?' and a green square button. Other camera settings like 'High fidelity music mode', 'Secondary ringer', 'Adjust brightness', and 'Soft focus' are also visible.

Platform – auto install approved apps

The screenshot shows the Microsoft Teams admin center interface for 'Contoso Electronics'. The main page is titled 'Manage apps' and includes a sidebar with navigation options like 'Dashboard', 'Teams', 'Users', and 'Teams apps'. The 'Manage apps' section has a 'Pending approval' summary with 0 submitted and 0 updated custom apps, and a 'Featured app' section for 'Breakthru'. Below this is a table of apps with columns for Name, Certification, and Publisher. A 'Manage selected apps' overlay is shown on the right, listing various apps with their 'Auto install' status set to 'On'.

Manage selected apps

Apps you select are automatically installed in Teams for someone when they use Azure AD credentials to sign in to the software publisher on another platform. Apps won't be installed for users who are blocked from using the app.

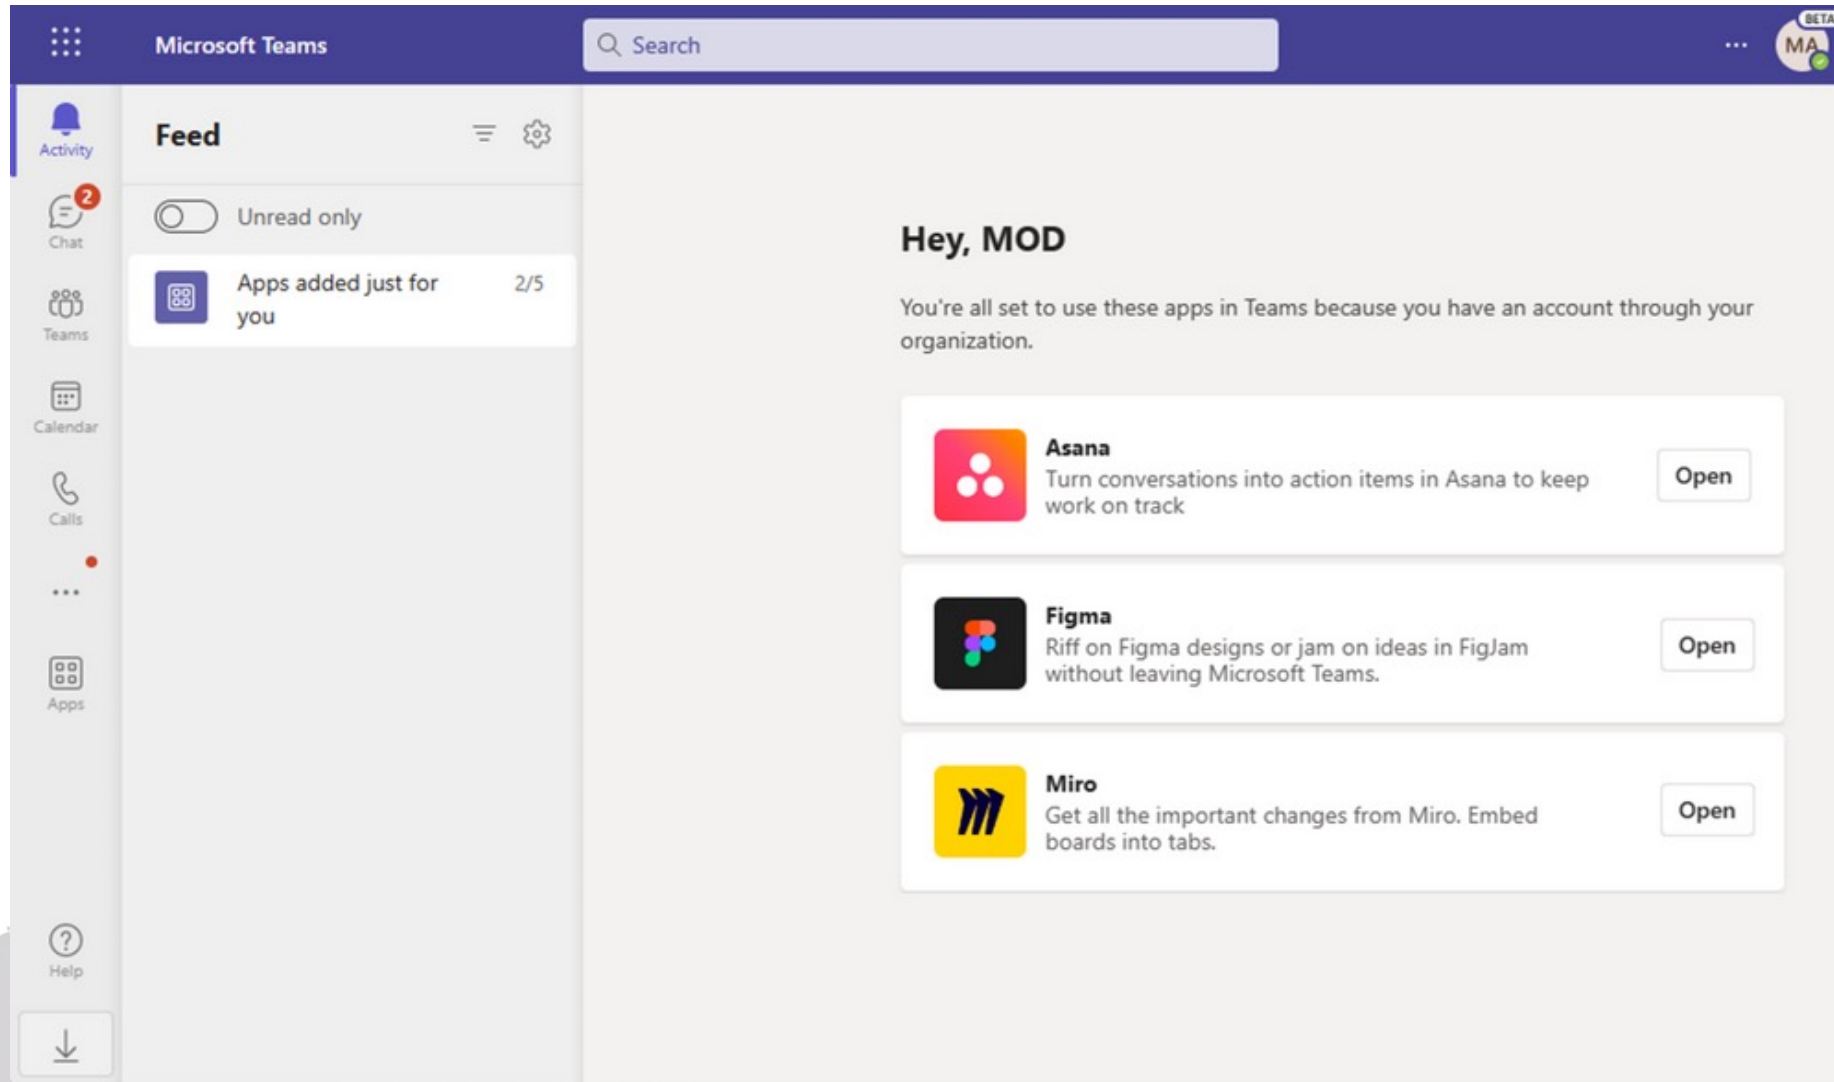

When using this feature, you accept the terms of use, privacy policies, and permissions of each app. [Learn more about using Auto install approved apps](#)
