Meetings

Animated Backgrounds

The screenshot shows the Microsoft Teams settings interface for a meeting titled "Marketing Review". The main heading is "Choose your audio and video settings". On the left, there is a video preview of a woman with long dark hair smiling. Below the preview are controls for video (a toggle switch that is turned on) and "Effects and avatars" (with a gear icon). The central area contains audio settings: "Computer audio" (selected with a radio button), "Internal Mic and Speaker" (with a volume slider and a microphone icon), "Phone audio" (radio button), "Room audio" (radio button), and "Don't use audio" (radio button). On the right, the "Video effects" panel is open, showing a grid of background options under the "Backgrounds" section. The "None" option is selected. Below the backgrounds are "Filters" (with "None" selected) and tabs for "Frames", "Styles", and "Snapchat". The "Frames" tab is active, showing several blue and purple wavy animated background thumbnails. At the bottom right of the settings panel are "Cancel" and "Join now" buttons.
