Webinars

On-demand recording

The screenshot shows the Microsoft Teams interface for a meeting titled "VanArsdel 3D: from Metal to Plastic" which has ended. The interface is divided into a left-hand navigation pane and a main content area. The navigation pane includes sections for "Setup" (Details, Presenter bios, Sponsors, Theming) and "Registration" (Configuration, Attendee status, Communications, Reports, Recordings). The "Recordings" option is currently selected. The main content area displays a recording file named "Recording.mp4" with the status "NOT PUBLISHED". Below the file name are two buttons: "Publish" and "Download". A red circle highlights the "Publish" button, with a mouse cursor pointing to it. To the right of the file information is a video thumbnail showing a presentation slide titled "Performance & ..." with a duration of "48m 42s". At the top right of the main area, there is a "View published site" button and a three-dot menu icon. The top of the window shows the meeting title and standard window controls.

Teams Phone

Teams Phone

Frontline Worker and vertical solutions

- Format text in tasks in Teams
- SOTI and VMware Workspace ONE support shared device mode on Android

The screenshot displays the Microsoft Teams interface. On the left, a sidebar shows navigation options like 'You Conne...', 'Activity', 'Chat', 'Teams', 'Tasks by PL...', 'Shifts', and 'Apps'. The main area is titled 'Tasks by Planner and To Do' and lists various tasks such as 'Week 10 store actions', 'Training tasks', and 'Week 09 store actions'. A task card for 'Urgent spinach recall' is open, showing a rich text editor with the following content:

Urgent spinach recall
Last changed moments ago by you

Bucket: Fresh Foods | Priority: Urgent | Start date: Start anytime

Due date: 09/30/2023

Notes: Be sure to remove all three of the following SKUs:
• 810019-601522
• 515035-203853
• 810021-601553

Collaborative Apps

New collaborative Apps

- Ambr
 - designed to proactively identify burnout risks within your organization or team
- Gloat
 - AI-powered talent marketplace

New collaborative Apps

- **Lucidchart for Microsoft Teams**
 - create, edit, and collaborate on diagrams from Teams
 - faster loading and rendering, and real-time co-editing, commenting, and chatting
 - create org charts from your Microsoft 365 data or mind maps from Teams conversations
- **VioletLMS**
 - equips you with an unparalleled, real-time learning ecosystem that bridges the gap between training and execution
 - launch courses, share announcements and resources, attend virtual trainings, and much more
 - Administer courses, allocate user journeys, and track learner progress—all without ever leaving Teams.

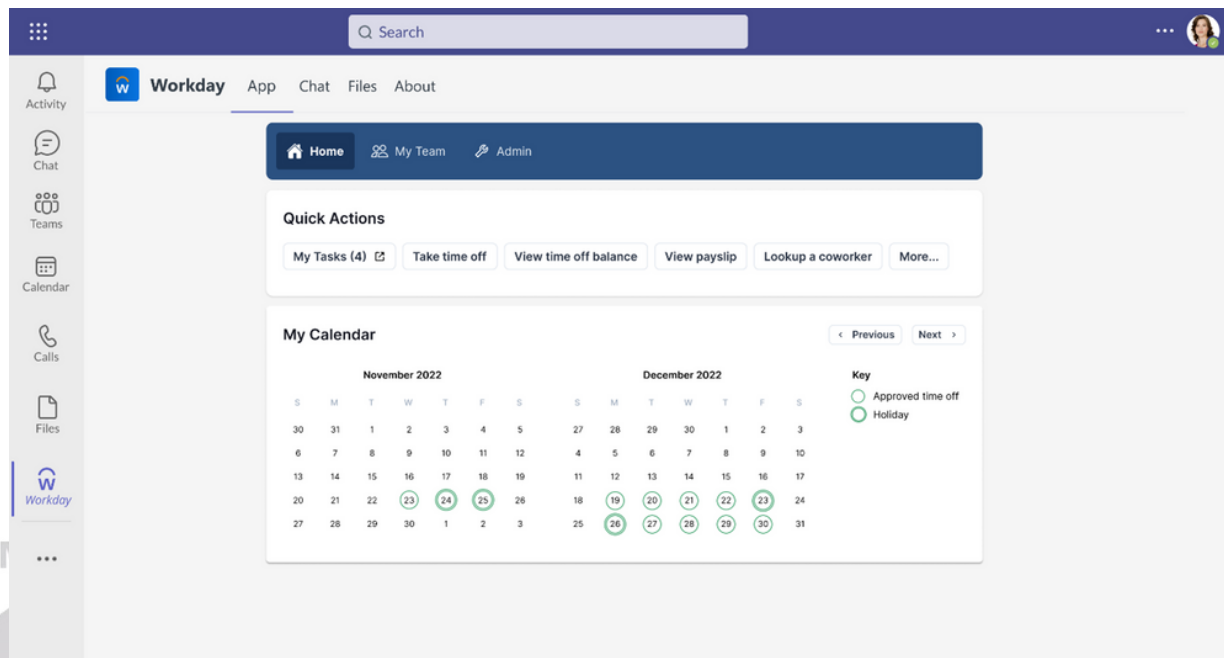

Collaborative app updates

- **GiveBack**
 - harnesses the power of AI to find relevant, localized team activities, automate giving initiatives, and helps create a purpose-led culture
 - engage your staff, enhance your ESG profile, and gain a competitive advantage within your market
- **Streamline**
 - uses AI to analyze the meeting context, participants, goals, and provide relevant suggestions and insights to improve the meeting outcome
 - New: generate agendas
 - harnesses AI to optimize the meeting schedule and duration, by considering the availability, preferences, and workload of the participants, and by sending timely reminders and follow-ups

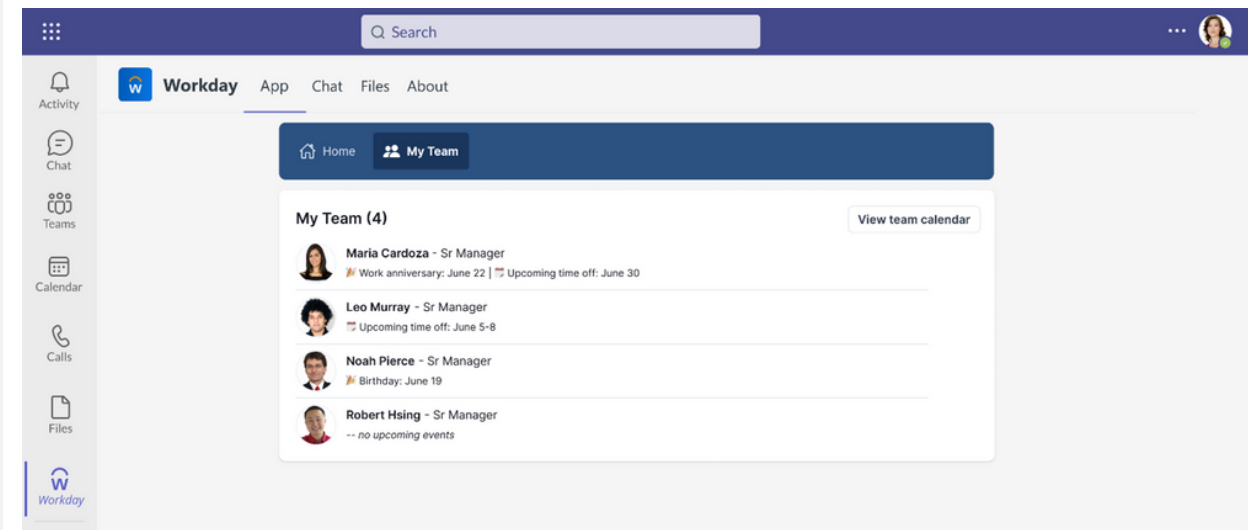

Collaborative app updates

- **Workday**
 - includes a new notification system for important updates or reminders, along with many quick actions such as view my tasks, requesting and approving time off, anytime feedback, view payslip and a new enhanced co-worker lookup

The screenshot shows the Workday app interface. At the top, there is a search bar and a user profile icon. Below the navigation bar, the 'Home' view is active, displaying a 'Quick Actions' section with buttons for 'My Tasks (4)', 'Take time off', 'View time off balance', 'View payslip', 'Lookup a coworker', and 'More...'. Below this is the 'My Calendar' section, which shows a calendar for November and December 2022. The calendar includes a key for 'Approved time off' (green circle) and 'Holiday' (red circle). The calendar data is as follows:

November 2022							December 2022						
S	M	T	W	T	F	S	S	M	T	W	T	F	S
30	31	1	2	3	4	5	27	28	29	30	1	2	3
6	7	8	9	10	11	12	4	5	6	7	8	9	10
13	14	15	16	17	18	19	11	12	13	14	15	16	17
20	21	22	23	24	25	26	18	19	20	21	22	23	24
27	28	29	30	1	2	3	25	26	27	28	29	30	31

The screenshot shows the Workday app interface with the 'My Team' view selected. It displays a list of team members with their names, titles, and upcoming events. A 'View team calendar' button is visible in the top right corner of the team list.

Name	Title	Upcoming Events
Maria Cardoza	Sr Manager	Work anniversary: June 22 Upcoming time off: June 30
Leo Murray	Sr Manager	Upcoming time off: June 5-8
Noah Pierce	Sr Manager	Birthday: June 19
Robert Hsing	Sr Manager	-- no upcoming events

Collaborative app updates

- Limeade Well-Being

The screenshot displays the Limeade Well-Being application interface. At the top, there is a navigation bar with 'Home', 'Discover', 'Achievements', 'Activity', and 'About'. A sidebar on the left contains icons for Activity, Chat, Teams, Calendar, Calls, Files, Limeade, and Apps. The main content area features a 'Good Afternoon!' greeting and a 'Level 2 in progress' status with a blue progress bar. To the right, a points system shows '1515/2500 pts' for a 'Virtual Limeade Swag Kit' and a 'My Choice 775/1250 pts' badge. Below this is a search bar with 'Filter by activity type', 'Search activity titles', and a toggle for 'Include My Choice activities'. The 'Activities you are tracking' section contains a grid of activity cards. Each card includes a 'My Choice' label, an icon, a progress indicator, a title, a description, a 'Private' toggle, and a 'Track' button. The activities shown are: 'Stressed? Exercise to Release Tension' (0 of 2 times / weekly), 'Work on Professional Development Together' (0 of 100 hours), 'Commute with Others to Work' (15 of 12), and 'Share Healthy Treats at Work' (7 of 4). A 'MÜNCHEN' logo is visible in the bottom left corner, and a 'Help' button is in the bottom right corner.

Collaborative app updates

- **Workday Peakon Employee Voice**
 - share their sentiments with their organization, by taking surveys from their natural flow of work
 - now supports Microsoft's app setup policy for large enterprise customers
- **Robin**
 - manage your office workspaces and meeting rooms from Teams
 - Robin offers customizable booking policies for different types of areas (desks, meeting rooms, huddle spaces)
 - the option to filter by different criteria (capacity, location, availability) and
 - streamlined check-in and check-out process with a simple button or QR code scanner
- **Mentimeter**
 - now includes live reactions so your audience can use emojis
 - new presenter view, you can see your notes, upcoming slides, and audience responses while presenting
 - create and launch quick polls, including multiple choice, word cloud, and scales
